Use permeable pavers to design stylish flooring for outdoor shower drains or water features.

DESIGN TIP

THE BENEFITS OF PERMEABLE PAVERS

Our selection of permeable pavers combines strength, functionality & aesthetics to provide an alternative solution for stormwater management in a variety of applications.

WATER HARVESTING

Reduce water demand for landscaping by designing a permeable paver system that harvests and recycles rainwater.

ELIMINATE STANDING WATER

Improve site drainage to avoid pooling water where mosquitos can breed.

REPLENISH AQUIFERS

Permeable pavers filter water, removing contaminants and ensuring receiving waters and ecosystems are self-sustaining.

MANAGE RUNOFF

Aid landscaping by reducing erosion that occurs when grass is dry or dead.

FLOOD PREVENTION

Permeable pavers can absorb rainwater at a rate of over 500 inches per hour, eliminating runoff.

EXCLUSIVE PAVER TECHNOLOGY FOR

LIMITLESS DESIGN POSSIBILITIES

Belgard's modular paver lines were created to save time on design and installation. Available in many styles, shapes, sizes and textures, these pavers are designed to work together seamlessly to create a limitless number of patterns.

INCREASED CREATIVITY

Create bold geometric patterns, add a fun border, incorporate a faux paver rug, or visually divide your space into separate entertainment zones.

EFFICIENT INSTALLATION

With common nominal sizing, even intricate mix-and-match patterns can be quickly installed with fewer paver cuts. This means you get the look you want with less installation time and less waste.

EXCLUSIVE MIX & MATCH TECHNOLOGY

Belgard is the only paver producer with multiple styles in identical nominal sizing. Mix colors. Mix textures. Mix shapes. It all fits together to create truly unique designs.

BUDGET CONSIDERATIONS

Construction projects rarely proceed exactly as initially designed and quoted. Unforeseen complications and decisions during construction can affect costs, which vary based on site conditions, project size, finishes, and more. Pavers and wall products may only account for 20% of the total cost. Choose products you'll enjoy long-term without compromising.

A photograph of an outdoor patio area at night. The foreground is dominated by a stone paver walkway with irregular, light-colored stones. In the middle ground, there is a low, wide stone wall or bench. Underneath this wall, several warm-toned lights are visible, creating a soft glow. In the background, there are dark silhouettes of plants and a few more lights. The overall atmosphere is serene and modern.

Oldcastle APG ("Belgard") is proud to inform you that all of our interlocking concrete paver and retaining walls ("Products") meet and/or exceed the requirements of ASTM C-936 and ASTM C-1372. Belgard guarantees its Products against these standards for the lifetime of the Product defined by ICPI. This guarantee does not apply to splitting, chipping or other breakage that could be caused by impact, abrasion or overloading. This warranty is transferable. The original proof of purchase is required.

This warranty is only valid if the material is installed under the guidelines of the CMHA or the Belgard Installation Guideline Manual. Improper installation voids this warranty. This warranty is for residential applications only and does not apply to commercial applications. It is recommended that the job is installed by a Belgard Contractor Program participant who guarantees their workmanship for a minimum of 3 years from the date of install. For warranty service, contact Belgard at 1-877-BELGARD. A service representative will investigate your claim within 10 business days. If the Belgard product fails to meet the specifications, Belgard will replace the defective product at no charge. Color matching cannot be guaranteed. Belgard will not be responsible for any replacement labor, consequential damages or incidental damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow for the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The warranties in this limited warranty are the only warranties applicable to the veneer products. There are no other warranties, representations, or conditions of any kind, express or implied, statutory or otherwise, with respect to the interlocking concrete paver or retaining wall products supplied by manufacturer, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. All such warranties are hereby specifically disclaimed and manufacturer shall have no liability therefor, notwithstanding (1) manufacturer's actual knowledge of any intended use of the interlocking concrete paver or retaining wall products or (2) any advice or representations that may have been rendered by manufacturer concerning the design, manufacture, fabrication, sale, use, installation or provision of the interlocking concrete paver or retaining wall products. No statement, product, or description by manufacturer or its employees or other representatives, in addition to or beyond this limited warranty shall constitute a warranty. Buyer agrees that its sole and exclusive remedies for breach of this limited warranty, and the sole and exclusive obligations of manufacturer with respect to any claims for breach of this limited warranty, shall be those remedies expressly set forth herein.
